Welcome to the Big Mountain Battle

Les Gets Big Mountain Battle is going to start an exciting season and we want to invite you to join in the fun and excitement of a little adventure on the mountain you thought you already knew. We want to take you to corners of the mountain you may not have been to for years, send you hiking up a climb you would have never thought to do, go searching in the woods for a checkpoint, get tracked in real time by our friends at Flaik GPS and you get to do it all with your buddy.

This is a team-based event, which is open to all ages/levels as soon as you can ride safely on a black slope and allows exploration of the entire mountain! Each team of 2 must cover off all the checkpoints lifts, runs and hikes around the mountain in a 3 hour time period. Every team will be given a **course map** and **team card** at the racers meeting before the start and again, you will all be tracked by Flaik GPS. The top three teams with the best times to complete all checkpoints, runs and hill climbs will be awarded prizing but the top team will win the prize money.

There are 4 rounds in the season. Everyone is entitled to take part to 1 or several rounds.

There will be a ranking and prizes for every round plus a general ranking with prizes for the total of the 4 rounds

Number of points delivered per round:

1st: 100 points

2nd : 80 pts

3rd : 50 pts

4th : 30 pts

5th : 20 pts

6th: 10 pts
